

## BREEDER INCENTIVE PROGRAM

The Breeder Incentive Program (B.I.P.) has been set up with the purpose of creating a higher purse for the IRHA Futurity. **Starting from the year 2009, the IRHA Futurity is open only to horses by stallions enrolled in the B.I.P. or regularly enrolled as per stated deadlines.**

The program foresees that the stallion be enrolled on or before **October 31<sup>st</sup> of the year preceding the breeding season.** Stallions enrolled after this date will be subject to penalties; the substitution of enrolled stallions is not permitted.

One foal by each enrolled stallion will have a 400 € discount on the Futurity entry fees; **all the other foals by the said stallion will pay the regular Futurity entry fee.**

Foals by Sires not enrolled in the program may be registered on or before October 31<sup>st</sup> of the second year of age (€ 2.500), or on or before June 30<sup>th</sup> of the third year of age (€ 4.000), plus the regular Futurity entry fee.

The enrolled stallions will be promoted in a special B.I.P. section of the Reiner magazine, in the Reiner magazine beginning of the year Stallion Catalogue and on the IRHBA website.
